

5S Workplace Organization | Interactive eLearning

eLearning Course: MXLM102

Amatrol's Lean Manufacturing 5S Multimedia Courseware (MXLM102) covers workplace organization eLearning, and the steps of 5S: Sort, Straighten, Shine, Standardize, and Sustain. Within this lean manufacturing online training course, learners will study the key action steps within each 5S area to implement Lean Manufacturing processes, such as item organization, marking storage locations, outline locations, and shadow boards.

Teach Lean Manufacturing Skills

In-Depth, Comprehensive Workplace Organization Curriculum Connected to Real-World Skills

Amatrol's eLearning curriculum is unique in that it thoughtfully combines in-depth theoretical knowledge with practical, hands-on skills. This powerful combination of knowledge and skills solidifies understanding and creates a strong foundation for pursuing more advanced skills.

For example, the 5S Workplace Organization eLearning course covers important topics, such as: the role of the 5S program in supporting all other areas of Lean Manufacturing and the goals and actions for each step of 5S.

Highly-Interactive Multimedia

Highly-Interactive Multimedia Format Appeals to All Learning Styles

Amatrol's [eLearning curriculum](#) features a highly-interactive multimedia format. Stunning 3D animations, videos, pictures, voiceovers of all text, and interactive quizzes and exercises bring learning to life. Amatrol's multimedia curriculum contains elements that will appeal to every learning style, keeping learners motivated and engaged.
