Diaphragm Pump Systems Training | eBook Curriculum

The screenshot displays a digital eBook viewer interface. On the left, a 'Table of Contents' sidebar lists the following sections:

- Segment 1: PUMP INSTALLATION
 - Objective 1: Describe the function of a diaphragm pump and give an application
 - Objective 2: Describe three types of diaphragm pumps and give an application
 - Objective 3: Describe the operation of an air-operated double-diaphragm pump
 - Objective 4: Describe how to install an air-operated double-diaphragm pump
 - Skill 1: Install an air-operated double-diaphragm pump
- Segment 2: PUMP OPERATION
 - Objective 5: Describe how to start up and operate an air-operated double-diaphragm pump
 - Skill 2: Start up and operate an air-operated double-diaphragm pump
 - Objective 6: Describe the flow/pressure characteristics of an air-operated double-diaphragm pump
 - Objective 7: Describe how to adjust the flow rate of an air-operated double-diaphragm pump
 - Skill 3: Measure and graph the flow/pressure characteristics of an air-operated double-diaphragm pump
- Segment 3: PUMP SELECTION
 - Objective 8: Describe how to select an air-operated double-diaphragm pump for an application
 - Skill 4: Determine the size of an

The main content area shows the eBook cover for 'PUMP SYSTEMS DIAPHRAGM PUMPS' by Amatrol. The cover features the title in large, bold letters, a central image of a blue industrial pump system, and the Amatrol logo at the bottom. A 'Learning Activity Packet 8' badge is visible in the top right corner of the cover. The viewer interface includes navigation arrows, a page indicator (0-1 of 87), a search icon, and a zoom level of 101%.
